Educational Costs Contribution: €140

For everyone's convenience, the school directly pays specific costs that relate to each child in the school – these include costs re personal accident insurance, photocopying, P.E workshops, contribution to ICT expenses (software etc.) to name but a few. To reimburse the school for these costs and to make it possible to continue to provide these important services and facilities, **the Educational Contribution of €140 falls due in the first week of September.** An ePayment facility for these costs will be available from late August 2017. Alternatively, payment can be made by cash or cheque via the secretary's office. (*Note: while it is very helpful for the school if this is paid during the first week of September, we acknowledge that some may wish to defer payment until mid-October when the 'typically expensive' month of September has passed. As in previous years, paying the educational contribution and voluntary additional contribution together has tax benefits for the school – we will circulate further information about this in September. In the meantime, please contact the secretary's office if you have any queries.*)

Remittance form for contribution will be forwarded to each family by e-mail. Additionally, a hard copy is available from the secretary's office on request.

SCHOOL OPENS on Thursday 31st August 2017

Best wishes to all in the coming school year!
