Educational Costs Contribution: €140

For everyone's convenience, the school directly pays specific costs that relate to each child in the school – these include costs re personal accident insurance, photocopying, P.E workshops, contribution to ICT expenses (software etc.) to name but a few. To reimburse the school for these costs and to make it possible to continue to provide these important services and facilities, **the Educational Contribution of €140 falls due in the first week of September.** An ePayment facility for these costs will be available from late August 2017. Alternatively, payment can be made by cash or cheque via the secretary's office. (Note: while it is very helpful for the school if this is paid during the first week of September, we acknowledge that some may wish to defer payment until mid-October when the 'typically expensive' month of September has passed. As in previous years, paying the educational contribution and voluntary additional contribution together has tax benefits for the school – we will circulate further information about this in September. In the meantime, please contact the secretary's office if you have any queries).

Remittance form for contribution will be forwarded to each family by e-mail. Additionally, a hard copy is available from the secretary's office on request.

SCHOOL OPENS on Thursday 31st August 2016

Best wishes to all in the coming school year!
