Dear Friend,

Thank you so much for your generous gift and for supporting cancer patients and their loved ones across Ireland. We are working towards a future where nobody dies from cancer, and everyone affected by the disease will have access to world class treatment and support. Your donation of €2,126.67 on 15/02/2021 will help us to achieve these goals.

Because of you, we can ensure cancer patients and their families have access to free support, advice and information.

Along with other vital services, your gift is helping to provide:

- Our Support Line (1800 200 700): Our nurses are here for those affected by cancer to answer questions and provide advice and support at every step of the way
- Night Nurses: Our night nurses provide end-of-life care for cancer patients in their own home, allowing patients to remain at home for the last days of their lives surrounded by their families and loved ones.
- Cancer Research: we are constantly looking for better diagnostics and treatments for cancer patients so that people diagnosed with cancer will have access to the best science available.

On behalf of everyone who benefits from these services, thank you for your continued support.

For more information, please visit www.cancer.ie.

With grateful appreciation,

Conor King
Acting Chief Executive
