Nuachtlitir 10: 25ú Meitheamh

Go raibh míle maith agaibh go léir as bhur dtacaíocht agus bhur gcabhair i rith na bliana. It has been yet another busy year in Scoil San Treasa and your support, good will and kind words of support and encouragement throughout the year are much appreciated. The school experience of the pupils in Scoil San Treasa is greatly enhanced by the positive input of the broad school community, Teaching and non-teaching staff, Parents' Association, Board of Management, parish, various supportive organisations, agencies and individuals - and indeed the pupils themselves, who continue to infuse the school with energy, enthusiasm and goodness. President Michael D Higgins has sent his best wishes to primary school students as they enter the final days of a "challenging" school year – [at this link](#).

Term 3

In spite of Covid 19, there has been a great buzz and energy during the final term, which has been full of fun, laughter and learning. This is a great end to a very different year and is a celebration of the resilience of our pupils. Junior infants to Second classes really enjoyed the visit of a magician, the 3rd and 4th classes engaged in very lively Drumming workshops and the 5th classes are currently participating in the Cycle Right Safety Programme. Our recent sports days for all classes were a great success and everyone got to enjoy plenty of outdoor fun in the lovely sunshine. On Friday 4th June, we had our ice cream day, when all pupils and staff in our school were treated to a Teddy's ice cream. There were smiles all round as we all enjoyed a well-deserved break in the sunshine with our '99'. There are lots of photographs of the above activities on our school website. Thank you to all of the teachers who organised and facilitated after school activities and sports for 3rd-6th class during Term 3 on a voluntary basis.

Green Schools

The school's recent application for another Green Flag has been successful. The theme of this flag is 'Global Citizenship - Litter and Waste'. This theme enables schools to discover how work on Green Schools positively influences our global community. The assessors and the team at Green-Schools were very impressed with our work, and pass on their thanks to all the hard-working members of the Green-Schools committees. *'You all deserve a huge amount of credit for your efforts. The work that you are doing is really having a positive impact, and when the work of all schools is combined it's truly amazing'*. The Green Flag and certificate will be presented to the school in September. Well done to all involved!

Slán agus buíochas

We express our sincere thanks to Ms Jo Penston (Special Needs Assistant) who will retire at the end of the month. I know that pupils, parents and colleagues alike, will join with me in wishing Ms Jo Penston a long and happy retirement.

Laethanta Saoire

Information relating to your child's class teacher for 2021/2022 will be available from Monday 28th June. The school will close on 30th June for the Summer holidays and will reopen again on Tuesday 31st August for all pupils. On Wednesday 30th June the following collection times will apply:

- **Junior and Senior Infants – Collection time @ 12:00 midday**
- **1st – 6th Class – Collection time @ 12:10pm**

All collection points remain the same as usual.

As is customary on the last day of the summer term, pupils are welcome to wear clothes other than their school uniform - if they so wish. Please leave all accessories at home, making sure to wear something that is 'school appropriate' and also warm, safe and manageable for playtime in the yard. Pupils are invited to bring a euro or two to school for charity on that day.

As we begin to count down towards the Summer holidays, renewed thanks to all in the school community for your ongoing support and for playing your part in helping to keep everyone in our school community safe and healthy, and for helping to keep our school a safe place to work and learn. We hope that, as vaccinations continue, September will give renewed hope of normality.

Finally, we wish our school community an enjoyable summer break. We encourage all to be mindful of safety - in all its guises, including Internet Safety, Road Safety and Water Safety – throughout the summer. You may like to check out some age-appropriate resources on our school website as you support your child in these areas.

We look forward to welcoming all pupils back to school on Tuesday 31st August and we hope that you will all have a lovely summer and that you keep safe, healthy and well.

Le gach dea-ghuí,

Frances Mullin
