Feast of St Thérèse of Lisieux

We celebrated the feast day of St. Thérèse of Lisieux in our school today by joining with Fr. Joe Mullan via the parish webcam at the 10am Mass. The boys and girls in 6th class also led the school in prayer over the intercom. We prayed together that St. Thérèse may draw us all to follow her 'Little Way' of love in our own lives and that we too may radiate joy and gladness. All of the classes received a blessed rose from the church for the Prayer Space in each classroom.

Online Safety Week

Online Safety is always an area of huge importance and priority in our school and it received added focus throughout the school this week. During the week, children's awareness of internet safety has been heightened, at an age-appropriate level. Your attention is drawn to Internet Safety resources/links on our school website, in particular the website www.webwise.ie, where you will find information, advice and free education resources addressing a range of internet safety issues and concerns - from a parental perspective. You are encouraged to visit this site regularly so that you may access up-to-date information about current trends and patterns, and tips on how to address matters relating to internet safety. Parental vigilance around children's access to internet-enabled devices and/or phones needs to be at a high level at all times.

Páistí ag obair!

The school year is now well underway and the children are to be highly commended on their great work, enthusiasm and the happiness that they bring to the school. Their work in the classrooms and the beautiful art work on the corridors create a real buzz in the school. *Maith sibh go léir a pháistí!* Please visit our school website which will give you an insight into how busy we all are in our school, learning in many different ways.

Sacraments – Eucharist and Confirmation

We continue to work within the Government regulations regarding Covid 19 and it is planned that the Level 3 restrictions applicable to the Dublin area will cease on Friday 9th October. Thereafter we can continue with the sacramental programme. The Sacrament of Confirmation has been rescheduled for Saturday 17th October and Eucharist for Saturday 24th October.

Health and Safety

As the weather is now getting colder and with the added importance of the classrooms being well ventilated during the school day, please ensure that your child is wearing warm clothes to school - such as a long sleeved sweatshirt/school jumper and trousers/tracksuit bottom. The children should also bring a jacket/extra top for yard time.

As October begins, we acknowledge and appreciate the efforts of all staff, parents and children as we continue to work together to help ensure that our school remains a safe and happy place for us all. Thank you for keeping your child/ren at home when unwell, and for promptly collecting your child when contacted. It is of the utmost importance that we continue to keep up the protocols - maintaining a distance of 2m from other adults at all times and wearing a mask at arrival and dismissal times.

Le buíochas agus le gach dea-ghuí
