Science - Tadpoles/Frogs...

For the past three years, and with the valued input of the Parents' Association, we have enjoyed having a 'life-cycle' project based in the foyer. Two years ago, we had our chick/incubation project; last year we had our butterfly project; and this year our focus has been on the development of the **frog**. Each project, spanning several weeks, generated great excitement and prompted much learning. We thank the parents who prepared and delivered information sessions for each class and who looked after the logistics of the projects. You will find out more about this and some other work in the whole area of Science in the 'Galleries' section of our website, www.sstreasa.ie.

First Holy Communion

We congratulate the boys and girls who received their First Holy Communion on Saturday 11th May in the Church of St. Thérèse and we thank all who have supported them to date in their journey of faith.

The ceremony on the day was truly special, due in no small way to fine input from the boys and girls themselves, their families, teachers and non-teaching staff, the choir, the orchestra and parish personnel. As in previous years, the Parents' Association took responsibility for planning and organising a most welcoming reception afterwards. We appreciate the good will and hard work of all who contributed to the day in various ways.

Book Lists

Book lists for the 2019-20 school year are now available on our school website, www.sstreasa.ie. You will find them under the tab, 'Parents'.

Aladdin Connect

Reminder: Parents who may not have downloaded the Aladdin Connect* app yet or validated their phone number are encouraged to do so. This year, it is planned that child/ren's end-of-year school report will be electronically accessible to their parents via this facility. (*On 7th March, we emailed all parents with information about Aladdin Connect - a system designed to enhance home/school communication. On 27th March, all parents were emailed with information about the registration process.)

**le gach dea-ghuí,
Anne English - Principal**
