Dear Scoil San Treasa,

Thank you for making a difference

As we continue to pull together whilst we steer our way through these uncertain and challenging times, I want to sincerely thank you for supporting CHF Crumlin by raising an amazing €2,126.67.

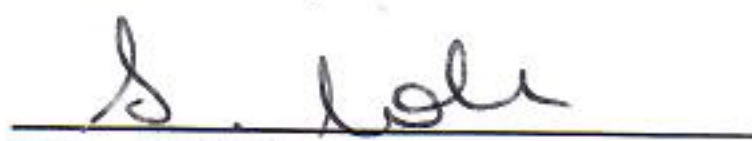

Here at CHF Crumlin we know that the future of paediatric care and research is brighter because of compassionate people like you making the decision to support our work in CHI at Crumlin and the National Children's Research Centre.

Today, your kind gift will bring strength and renewed hope to so many children and families in CHI at Crumlin. During these times of isolation and social distancing, the effects of your kindness are felt now more than ever.

Your support is felt through the extraordinary care that is given to sick children and their families by our doctors, nurses and staff, every day. It is in the comforting smiles of our play specialists and the soothing melodies created by our music therapists. Your generosity means that children in Crumlin will have every chance that world-class treatment, equipment and research can provide - today, tomorrow and always.

Thank you for making a difference.

Best Wishes,

Sinead Nolan
