Dear Jackie,

Huge thanks for the wonderful donation of €2,342.00 from your Novelty Day 2020, we truly appreciate all your time and effort on our behalf.

Thanks to amazing supporters like you, LauraLynn provides FREE care and support to approximately 374 families of children with life-limiting conditions. Care can be delivered in our hospice in Dublin, at hospital, in the community, or in the family home. Your donation will help bring more love, friendship, laughter and play into children's short lives, alongside positive memories for the whole family to cherish forever. You are helping give children precious moments with their parents and siblings... at a time when every second counts.

Caring for a child with a life-limiting condition changes a parent's life forever. It can be tiresome, rewarding, positive and sometimes painful. Because of you... We're here for our families, throughout the care of their child, through bereavement and afterwards.

On behalf of all the children, the families and the team here in LauraLynn – thank you! Please pass on our heartfelt thanks to all who helped and supported you. It truly means the world to us.

Best wishes,

Liz Quinn – Community Fundraising Executive
