

## SST Solve-A-Problem – Junior

A school held a Readathon to see which class could read the most books in a week. Miss Collins's class read 63 books. Miss Hickey's class read 86 books. Miss Breen's class read 79 books. Put the number of books in the correct order from 1<sup>st</sup> to 3<sup>rd</sup> places.

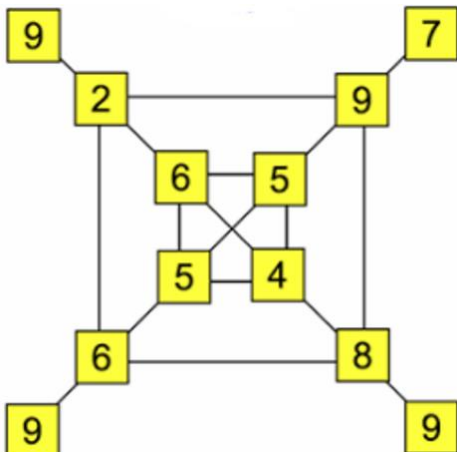

## SST Solve-A-Problem – All

When 54 is added to a number the result is the same as when the number is multiplied by 3.

What is the number???

## SST SOLVE A PROBLEM – CHALLENGE

Start anywhere and collect five numbers by following the paths – no jumping or going back along the same path twice.

What's the highest total that can be made?
