

08.06.2023

Dear Scoil San Treasa,

On behalf of An Cathaoirleach Cllr. Mary Hanafin and Dun Laoghaire-Rathdown County Council, I would like to congratulate Scoil San Treasa on achieving your Green Flag!

The dedication your school has committed to creating a sustainable environment is inspiring. The steps taken within your school enhances our shared environment and encourages positive changes within the wider community. We understand the level of work and enthusiasm required to achieve a Green-Schools Flag. We would like to take this time to sincerely thank you. It is clear that the committee and all at Scoil San Treasa have worked extremely hard over the last two years.

We know that in addition to your Green-Schools committee many parents, teachers, grandparents, pupils and wider school staff are involved. We would like to take this opportunity to pass on our thanks and congratulations to them as well. We are sure you are delighted to have been awarded your flag and excited to move onto the next theme!

Please find enclosed a certificate of thanks and congratulations from Dun Laoghaire-Rathdown County Council.

Kind Regards,

Niamh Moran

A/Environmental Awareness Officer | Resource Management,
Infrastructure and Climate Change Department,
Dun Laoghaire-Rathdown County Council
