**THANK YOU!**

### You've given a family the power to Press Play!

To the Students, Staff and wider school community at St. Treasa's School,

Thank you so much for raising **€1,500** for Barretstown.

Thanks to your generosity, we will be able to welcome more children and families affected by serious illness to experience the magic of Barretstown's life changing therapeutic programmes. Your kindness will make a hugely positive impact on so many, and we are so very grateful for your amazing support.

This is a very exciting year for Barretstown as we celebrate our 30th Anniversary and having served more than 100,000 campers during this time both through our residential camps here at Barretstown and in hospitals and schools across Ireland. In those 30 years, thanks to wonderful supporters like you, we have helped thousands of families face the future with hope and happiness.

Childhood stops for seriously ill children. Thank you for helping to Press Play on Childhood.

Kind regards,

*Irene Spencer*
