Scoil San Treasa
Board of Management

The Rise, Mount Merrion, Co. Dublin A94EK75

Dear Parent/s,

On behalf of the Board of Management, I wish to convey our thanks to you for volunteering to help/assist in Scoil San Treasa.

At Scoil San Treasa, our mission is the provision of primary education of the highest quality for all our pupils in a happy, safe, Christian environment. Key school policies help us in realising this goal. Having a protocol for volunteers affords a measure of clarity to volunteers as they engage in their work, and assists us in safeguarding the wellbeing of those in the school community. Accordingly, all volunteers must sign up to Scoil San Treasa's Code for Volunteers.

Scoil San Treasa's Code for Volunteers.

- In the interest of each child's overall wellbeing and safety, it is important that all parent volunteers are familiar with our Code of Behaviour, our Child Protection Policy / Child Safeguarding Statement and our Anti-Bullying Policy – available at www.sstreasa.ie.
- All volunteers are also required to take a careful and sensible approach to health and safety. Volunteers should liaise with the relevant teacher in this regard.
- Confidentiality is of paramount importance to all those who work in or visit our school, and especially those who are in contact with staff and pupils. This is imperative in the case of those who have direct contact with pupils who may be experiencing difficulty or have a variety of learning styles or health issues. You will understand that this is a sensitive area. All volunteers are required to have due regard for the privacy and confidentiality of all, as any parent would wish for their child. For this reason, divulging of confidential school-related information cannot be tolerated.

Note:
Of course, none of these measures are intended to conflict with our Child Protection Policy/Child Safeguarding Statement.
Should you have any questions in relation to the above, the school principal will be happy to clarify matters.

I _____ (please print name) hereby agree to

adopt Scoil San Treasa's Code for Volunteers.
