**Thank you very much for supporting us with your fundraising event**

Dear Friends,

This receipt is confirmation we received your brilliant donation of €2,000.00 on 9/Dec/2025.

Thank you so much for being there and supporting cancer patients and their loved ones across Ireland. We are glad to have you with us.

Your donation today will make sure we can continue to fund vital cancer support services and research in Ireland.

Because of you, we'll be able to help even more people by providing:

- Our Freephone Support Line (1800 200 700): Our nurses are here for anyone affected by cancer to answer questions and provide confidential advice and information every step of the way.
- Night Nurses: Our Night Nurses provide end-of-life care for cancer patients in their own home, allowing patients to remain at home for the last days of their lives surrounded by their families and loved ones.
- Cancer Research: We are constantly looking for better diagnostics and treatments for cancer patients so that people diagnosed with cancer will have access to the best science available.
- Daffodil Centres: Our thirteen Daffodil Centres across the country are staffed by Cancer Nurses and trained volunteers who provide advice, support and information for anyone affected by cancer.

And much, much more.

It's your help and kindness that make it all possible. We couldn't do it without you.

With grateful appreciation,

Glenda Ryan  
Director of Fundraising & Marketing
